

Teeing Off Your Tournament's Success

With our Hole-in-One U.S.A. coverage, you can offer exciting and enticing prizes and have confidence when it comes to making sure that your contests are fully covered.

Let us help you make your next tournament more fun with less risk.

A WORLD-CLASS CADDY

We're here to help you out in ways you never expected. If you've got questions about what we can do for you, here are some answers:

Ready in a Flash

If you have an event tomorrow that you need hole-in-one coverage for, we can get your policy in place in time to play as soon as you pay by check or credit card.

If you need tee-signs – 28" x 20" golf balls sitting on a tee with 11" x 14" available for logos and prize descriptions – we only ask 10 days' notice to allow time for shipping. Need your signs faster? We can do that, though it may cost more in shipping.

Prizes of all Sizes

On top of our proprietary hole-in-one insurance vacation packages at \$10,000, \$15,000 and \$20,000 values, we insure every kind of vehicle – motorcycles to big rigs, tractors to golf carts, even airtime for private jets and helicopters – and any prize with an associated cash value. From \$1,000 – \$1,000,000, we cover it all.

Going the Distance

We insure hole-in-one contests 135 yards and longer. The most expensive contests are that shortest, 135-yard distance, and more affordable packages moving golfers over 200 yards — it's all about finding the distance that gives you the best value.

Flexible for You

As long as no shots were taken on the target holes and we're given notice within two business days of the original tournament date, your Hole-in-One U.S.A. contract can be amended to postpone your tournament without additional charge.

If you're unable to reschedule, we'll cancel your coverage and give you a refund. If signs were shipped, we'll dock a \$50 cancellation fee. We refund or credit partially completed events based on the number of participants who've taken a shot at a designated hole, with a minimum fee of \$150.

The Fine Print

All main prize holes must have a witness who is 18 or older, who isn't a tournament participant or immediate relative of a winning participant and appointed by the sponsor, tournament committee or approved by our Hole-in-One U.S.A. program, and who can see the hole clearly and ably attest to a hole-in-one occurring.

Prize amounts up to \$50,000 need only one witness; \$50,001 – \$100,000 require two; \$100,001 – \$250,000 require two, one of whom must be a PGA-certified golf professional and may require video recording; and \$250,001 – \$1,000,000 demand two PGA-certified golf professional witnesses, one law enforcement officer and may require video recording.
